GREEN TIP #188

December 2025

'tis the season

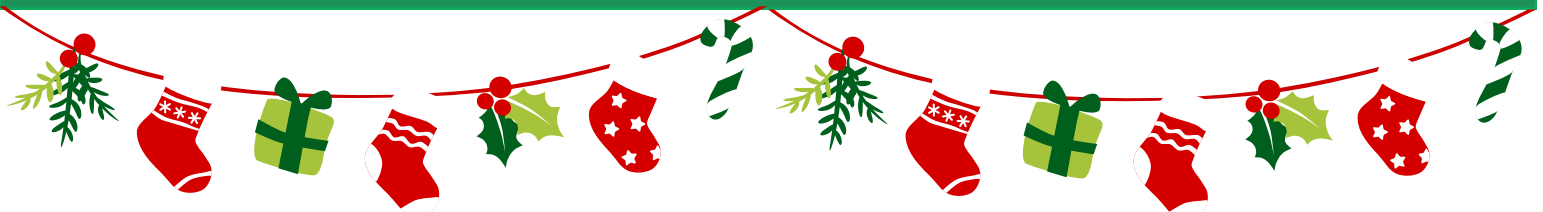

TO BE THRIFTY

For this year's Christmas Party, try thinking outside of the box and find new ways to celebrate in a more sustainable way. Try doing a "Thrifty Secret Santa". Many thrift stores offer coffee mugs, décor, books and even some appliances in almost new conditions. Try to find a nice coffee mug or tea set from the thrift store, then add some coffee/tea and a treat to go with it. You might even find a good quality serving platter or casserole dish that you could bake some goodies to fill it with. Avoid unnecessary waste from wrapping paper or gift bags by having the Secret Santas try to place the gift on their giftee's desk without them knowing. This also turns it into a fun game!
